PC:

By this petition the petitioner seeks mandamus directing the respondents to grant admission to the petitioner in what is terms as NRI Sponsored Quota. This category of NRI Sponsored Quota is something created by a Committee called Association of Management and Unaided Private Medical & Dental Colleges, Maharashtra. This association has issued certain guidelines which speak of this category of Sponsored NRI Quota candidate.

2. Factually the name of the petitioner appears in the merit list which is at Ex.E page 20 of the petition. It appears that the petitioner could not secure the admission because the entire process was required to be completed in one day. Hence this challenge. The petition is filed in October, 2005. The admission process is complete for the present academic year. In such circumstances we see no reason to interferer. Petition dismissed.
